

# LaserVenture Terms and Conditions Of Sale

- **LaserVenture** supplies equipment to more than 40 countries around the world. Any invoice issued amounts to a sales contract that accepts that the transaction is between **England (Great Britain)** and the **Country Of Delivery**.
- The following products are included in these **Terms and Conditions > Crystallite LaserTag System – LaserMaze**.
- Equipment supplied may not be exported from the **Country Of Delivery** to **Germany** or **Poland** as **LaserVenture** has exclusive distribution agreements with those countries.

The event of equipment being transferred to either of the above excluded countries will constitute a breach of these **Terms and Conditions**. In the event of such a breach >

- **LaserVenture** will provide **no** after-sales support or warranty.
- **LaserVenture** will support its distributor in the transferee country in any action they may deem it necessary to take in order to protect their interests.
